Free
Service

We support people who are deaf or have hearing loss in the Cheshire East, Cheshire West and Chester, Flintshire & Wrexham areas. Our service is delivered by our specialist team who offer a range of support options including drop-in sessions, online support, home visits and community engagement events.

The support can range from assisting with booking health appointments, to communication support with letters as well as advice on the self-purchase or loan of specialist technical equipment, including installation.

Please contact us if you would like to find out more about our services, call in at one of our centres,
